

Writing Exercise 83 (Intermediate)

Writing: Write 150 words using the Past Perfect Progressive Tense.

Time: 30 minutes

Thinking about growing up in Sao Paulo as a child. Write about some of the things you had achieved in your education before the age of 25 years. Your writing should include 3 paragraphs starting with an introduction and ending with a conclusion. The main paragraph 2 should include your achievements.

Past Perfect Progressive tense.

Two actions in the past. One long past action ending the second past action begins. For example:

"Before I arrived in Sao Paulo in 2014 I had been living in The UK for 30 years"

"arrived" simple past.

"had been living" past perfect progressive.
