

Speaking Test examples

Part 2

Time: 3-4 minutes

Now, I'm going to give you a topic and I'd like you to talk about it for 1-2 minutes.

Before you talk you'll have one minute to think about what you are going to say and you can make notes if you wish. Do you understand?

Ok, here's some paper and a pencil to make notes, and here is your topic. I'd like you to describe something you own which is very important to you.

Describe a course you have done that you found useful:

You should say:

- What you learnt
- What you enjoyed about the course
- What you didn't enjoy

And explain why it was useful to you.

Follow up questions:

1. Are you in touch with anyone from the course now?
2. Would you like to go on a course like this again?
