

Speaking Test examples

Part 2

Time: 3-4 minutes

Now, I'm going to give you a topic and I'd like you to talk about it for 1-2 minutes.

Before you talk you'll have one minute to think about what you are going to say and you can make notes if you wish. Do you understand?

Ok, here's some paper and a pencil to make notes, and here is your topic. I'd like you to describe something you own which is very important to you.

Describe an environmental problem that has occurred in your country.

You should say:

- The cause of the problem
- What effect it has had on your country
- The steps, if any, that have been taken to solve this

Explain why you think this problem is so important to solve.
