## IELTS Writing Practice

*Using specific words and concepts in your writing.*

### For Rodrigo Mastini

Today we are going to do a writing exercise that must include at least one on the words from all of these lists. These are words that are important for an IELTS examiner to find in your writing exam.

**Listing...** *Firstly, Secondly, Thirdly, Finally*

**Adding more information to your argument...** *In addition to, Additionally, Furthermore, As well as*

**Giving examples...** *For example, For instance, To illustrate*

**Results and consequences...** *Hence, Therefore, Thus, For this reason.*

**Highlighting something...** *In particular, Specifically, Clearly*

**Reasons and Causes...** *Because, Owing to, Due to.*

**You Opinions...** *I think, I believe, In my view*

**The subject is...**

**The number of people who are at serious risk of developing serious health problems due to being overweight is increasing.**

**What is the reason for this increase?**

**How can this problem be solved?**

**Paragraphs**

**There should be an introduction, a conclusion and a main body. The main body should be three paragraphs. So 5 paragraphs. There should be about 250 words.**

Time allowed 40 minutes.
