

Dear Ms. Jane Black,

I hope this email finds you well.

I saw your English School advertisement in a magazine and I have some questions about ~~it~~ the programme.

Firstly, the <sup>ADVERTISEMENT</sup> [redacted] is <sup>US</sup> [redacted] informing that the courses' duration ~~are~~ is two weeks. Although, I was wondering if I could ~~do it~~ it in ~~in~~ three weeks.

Also, could you <sup>TELL</sup> [redacted] me exactly the <sup>COST</sup> [redacted] of the <sup>SOME</sup> [redacted] each programme? I need to do <sup>SOME</sup> [redacted] financial planning.

<sup>I WOULD LIKE TO KNOW MORE</sup> [redacted] <sup>WOULD I</sup> [redacted] about the accommodation, <sup>WOULD I</sup> [redacted] be with other students <sup>in the house</sup> or just me and the host family?

Furthermore, can you <sup>SEND</sup> [redacted] me more <sup>INFORMATION</sup> [redacted] referring to the extensive social programme?

Best Regards,

Ana Carolina Belfiore Dioliti

As a woman, <sup>BORN</sup> [redacted] and <sup>RAISED</sup> [redacted] in São Paulo I had a lot of educational experiences in the big city. My first important achievement was <sup>GRADUATING</sup> [redacted] <sup>FROM</sup> [redacted] the high school of Jamie Alighieri, but <sup>MY</sup> <sup>ACHIEVEMENT</sup> [redacted] <sup>PASSING</sup> [redacted] <sup>MY</sup> <sup>BACHELOR'S DEGREE</sup> [redacted]

<sup>OF</sup> [redacted] <sup>PROCESSES</sup> [redacted] All the [redacted] until <sup>MY</sup> [redacted] full academic graduation seems to be simple, however, until I graduate in the same School I <sup>HAD HAD</sup> [redacted] a lot of doubts about my future. Before I <sup>ENTERED</sup> [redacted] <sup>ONTO</sup> [redacted] the law course in 2015 I had been studying fashion for almost two years. <sup>SEE</sup> [redacted] <sup>too</sup> [redacted] Unfortunately, I <sup>DIDN'T</sup> [redacted] <sup>see</sup> [redacted] <sup>too</sup> [redacted] <sup>MANY PROSPECTS</sup> [redacted] in <sup>A</sup> [redacted] Brazilian fashion career, so I decided to follow <sup>IN</sup> [redacted] <sup>FAMILY'S</sup> [redacted] <sup>FOOTSTEPS</sup> [redacted] as a lawyer. After this big <sup>decision</sup> [redacted] I studied hard and then <sup>down</sup> [redacted] <sup>as</sup> [redacted] I found myself in the Corporate <sup>????</sup> [redacted] law, until I <sup>got</sup> [redacted] an <sup>INTERNSHIP</sup> [redacted] in this subject. I had been studying this area since the <sup>beginning</sup> [redacted] of my <sup>DEGREE</sup> [redacted] <sup>law</sup> [redacted] studies.

To conclude, my <sup>educational</sup> [redacted] <sup>journey</sup> [redacted] in São Paulo was long and a little <sup>CONFUSING</sup> [redacted] Although, it <sup>WAS</sup> [redacted] <sup>worth</sup> [redacted] <sup>IT</sup> [redacted] and I <sup>ACHIEVED MY</sup> [redacted] goals that I could never <sup>HAVE</sup> [redacted] <sup>IMAGINED</sup> [redacted] when I entered <sup>INTO</sup> [redacted] the same School. <sup>THAT</sup> [redacted] Nowadays, I can say I am ready <sup>to</sup> [redacted] <sup>PURSU</sup> [redacted] my <sup>MASTERS</sup> [redacted] in law <sup>ABROAD</sup> [redacted] <sup>FROM NOW ON</sup> [redacted] my new educational achievements will be in <sup>Amsterdam</sup> [redacted].
